

## Bull's Eyes - Variations

### The basic

With glass wiper, water washing pipe

Stainless steel 316 and NBR-sealing integrated ring seal

Fixing brackets available in different length for different wall thickness

In case of an existing spacing tube with 315 mm you can order an intermediate pipe in PE.

RD 300 for  $\varnothing$  300 mm  $\pm$  2 mm, wiper circle 230 mm Art.-No.: 80100001

RD 400 for  $\varnothing$  400 mm  $\pm$  2 mm, wiper circle 330 mm Art.-No.: 80104001

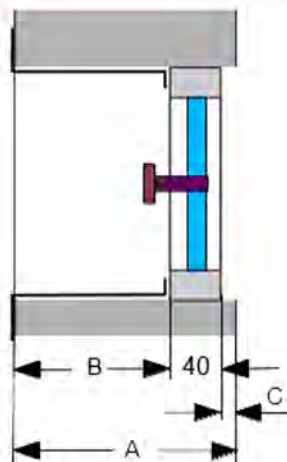

### Mounting brackets

Choose the right length for your wall thickness ( length A).

The closer the glass is placed to the inside wall, the bigger is the angle of sight !

$$B = A - C - 40 \text{ mm}$$

C = ca. 20 mm (recommended)

### Length B

For fixing in concrete wall

31 cm, Art.-No.: 80 100 141

25 cm, Art.-No.: 80 100 118

20 cm, Art.-No.: 80 100 136

14 cm, Art.-No.: 80 100 104

12 cm, Art.-No.: 80 100 124

For fixing in pipe

14 cm, Art.-No.: 80 100 117

3 cm, Art.-No.: 80 100 126

Reinforced for high pressure inside

12 cm: Art.-No.: 80 100 123

25 cm: Art.-No.: 80 100 140

## Bull's eye in immersion pipe 35 °

For a large viewing angle to the side or downwards

RD 300 in immersion pipe  $\varnothing$  315 mm, Wischkreis 230 mm  
Art.No.: 80100035

RD 400 in immersion pipe  $\varnothing$  480 mm, Wischkreis 330 mm  
Art.No.: 8010422

Bull's eye with wiper and water washing pipe  
Stainless steel 316  
It fits in a spacing tube (315, 500) or tapping drill hole

## Bull's eye for high pressure and installation below water level

RD 300 for 6 feet below water level  
Art.-No.: 80100008

RD 400 for 3 feet below water level  
Art.-No.: 80104018

Laminated double-glass with wiper and optional waterwashing pipe  
with spoked disk and reinforced fixing brackets for double safety  
against leakage even in case of brokenglass.  
It fits in a spacing tube or core drilled bore hole.  
Stainless steel 316

## Bull's eye for steel pipe

RD 300 for  $\varnothing$  300 mm  $\pm$  2 mm, wiper circle 230 mm  
RD 400 for  $\varnothing$  400 mm  $\pm$  2 mm, wiper circle 330 mm  
with wiper and optional water washing pipe

Steel pipes available in different sizes.

## Bull's eye on steel plate

RD 300 for  $\varnothing$  300 mm  $\pm$  2 mm, wiper circle 230 mm  
Art.No.: 80100018

RD 400 for  $\varnothing$  400 mm  $\pm$  2 mm, wiper circle 330 mm  
Art.No.: 80140013

Available ready mounted on standard plates 46x46 cm  
(RD 300) or 56x56 cm (RD 400)  
with washing pipe or on plate laser cut in bespoke sizes  
Or available as assembling set to mount on clients owned plate

CAD-data are digitally provided

Available for: Mounting in membranes
